

Daintree and Cape Tribulation

Daintree

As far as boasting rights go, the Daintree and Cape Tribulation Coast score beautifully with their dual World Heritage offerings, the Great Barrier Reef and World Heritage Listed rainforest.

The area buzzes with wildlife as you take the Daintree River Ferry crossing to the rainforest town of Daintree. Keep your eye out for any number of marsupials, reptiles, birds and butterflies among the Earth's oldest surviving rainforests. Not to mention the infamous crocodiles lazing in the sun on the mangrove-lined banks or cruising through the water nearby. Catch all the action from the safety of a boat on a Daintree River cruise.

After you've spent some time on the river, head to one of the restaurants to enjoy the local spoils – freshly caught barramundi is a must. Browse art and craft shops and soak up the ambience of this laidback village before heading on to Cape Tribulation, the unassuming village where the frontier of the north really begins. Pass through lowland and tropical rainforest before reaching spectacular Coconut Beach. It's here where you can go exploring at low tide or fish right from the edge of the reef.

A 4WD vehicle comes in handy for the drive through the Wet Tropics rainforest to more remote towns of the north.
